Networks

Delta Container Services has a network of agents in all the ports covered by its services as well as cabotage and slot charters with established carriers.

Team

A client driven workforce which includes container freight specialists, commercial personnel, equipment controllers and documentation specialists – providing tailor-made solutions to the customers of Delta Container Services.

Special Equipment and Handling

Apart from the standard 20 or 40 foot dry vans Delta Container Services provides specialized equipment including reefers, open top containers, tanktainers, flat racks, flexi bags and other equipment for handling special cargoes.

Documents

Delta Container Services offers a professional service supported by appropriate insurance covers and standard documentation conforming with provisions of international conventions, giving its clients the necessary peace of mind.
